Milton Nursery Co.

A. Miller & Sons, Incorporators

MILTON, OREGON

400 Acres

Established 1878

TO THE TRADE ONLY

OUR STOCKS are grown at Milton, Oregon, in well drained loamy soil which produces a bright, clean, and fibrous root system. Our own irrigation systems supply ample moisture to be applied in quantities and at times required for various kinds of nursery stocks. Controlled irrigation, cultivation, and ample sunshine, enable us to obtain desired growth, and proper maturity at digging time. For SIXTY-NINE YEARS this has been our proven and successful method of producing Quality Nursery Stock.

SHIPPING. We have access to the Union Pacific and Northern Pacific Railroads for making Eastern shipments throughout the season. We use combination or pool cars with stop-over for distribution at points in the East and Mid-West at car-lot rates. Refrigerator cars are always used and with Carrier's Protective Service in extreme cold weather.

PRICES herein are for the Trade only and cancel all previous prices offered by us. They are based on present conditions and subject to change without notice.

TERMS: 3% discount for Cash with Order; 2% discount ten days from Date of Invoice; 1% discount thirty days from Date of Invoice; Net and Due sixty days from Date of Invoice, unless otherwise arranged at time of sale. 6% interest per annum charged on Past Due Accounts. Cash or satisfactory references required before shipment from those unknown to us. On C. O. D. orders one-fourth Cash is required before shipment.

PACKING CHARGES for boxes or bales, in addition to prices quoted, invoiced at cost, except packed in bulk in car-lots without charge.

CLAIMS must be made promptly on receipt of shipment and all unsatisfactory or rejected goods held for our advice or disposition. We will gladly entertain such reports and make satisfactory adjustments when claims are definitely established.

GUARANTEE. We give no warranty, express or implied, as to life, description, quality, productiveness, or any other matter of any nursery stock, seeds or plants that we sell. It is mutually agreed that our total liability for any error, should stock prove untrue to name as labeled, shall be limited upon satisfactory proof, to our replacing free or refunding the purchase price thereof. We accept all orders subject to crop conditions, errors in counts, and with the understanding that the same shall be void should injury befall the stock because of hail, fire, frost, or other cause beyond our control.
